## Our Annual Lakeshore Read-a-Thon Is Underway Now Through March 3<sup>rd</sup>

What can you do to help your reader have a successful Read-a-Thon?

- Encourage your reader to set a daily goal and help them track minutes daily.
- Help your reader practice their script before they solicit donations. They might say: *"Will you please sponsor me in my school's Read-a-Thon? My goal is to read \_\_\_ minutes per day. The money we raise will help pay for school programs like Science in the Garden, Motor Perception, Poetry, and Art. You can make a flat donation or pledge an amount for each minute I read. Your donation is tax-deductible (tax ID No. is 94-3042896) Thank you!"*
- Enter your reader in our "Get Caught Reading Raffle" by sending pictures of kids reading at home to [readathon@LakeshoreElementary.com](mailto:readathon@LakeshoreElementary.com). Pictures will be posted in the lobby!

Raffle winners will be drawn during morning intake multiple times throughout the event. Winners will receive free books courtesy of The Children's Book Project.

## Give SFUSD Your Feedback—Take the Lakeshore Survey

Starting this week, we are asking you to fill out a short survey from the school district about your feelings about Lakeshore.

This survey is very important to helping us understand how we can improve the school, so **please be sure you fill one out before April 14th!** We want to hear every family's voice!

## Missing: Dry Erase Marker Box

## PTA EXECUTIVE BOARD ELECTION PERSPECTIVE

### PTA Treasurer: a Critical Role

I grew up in NJ. Based on recently compiled data from 2012-13, NJ is near the top in the US in per-student revenue. When I was in school, things like art, trips, and classroom supplies were funded by the school district. My mom's PTA meetings consisted of chatting, coffee, and no work at all.

As a parent in CA, I feel like we're in Bizarro World. The same data shows CA is third to fifth from the **bottom** in per-student revenue and spending. It wasn't always this way, but it is now.

This makes me angry. But what could I do? I chose to make a difference at Lakeshore by serving on the PTA Executive Board. The PTA raises around \$100,000 each year to pay for enrichment programs that the district doesn't provide as well as plan community events and help with Class Funds for teachers. And the Treasurer is *critical* to a working PTA.

As Treasurer, you get satisfaction from paying enrichment instructors for their hard work and teachers for Class Funds, make budget recommendations to ensure fair spending and achievable goals, keep records, and file annual documents. You'll get to know generous teachers and families. You do NOT need to calculate taxes or deposit money; others handle that. You do NOT need to do this alone; I will be here to help. The main requirements are being detail-oriented, organized, and comfortable with numbers and computers. A CPA would be great, but if you have these qualities, anyone can do it. After all, I am a full-time User Experience Designer and a mother of two young kids. If I can do it, you can, too.

I have served two years as Treasurer so my term is over. I hope someone—perhaps similarly motivated—will fill the position so that our important work can continue. If not Treasurer, then please consider one of the many open positions.

Thank you, Deb Tjoa

*The following Board positions are open: President\*, Executive Vice President, VP Membership, VP Fundraising, Recording Secretary\*, Treasurer\*, Auditor, Historian, Room Parent Coordinator. (\* = minimum positions needed to have a PTA and not lose our bank accounts!) Please consider serving on the Board. Email [parl@LakeshoreElementary.org](mailto:parl@LakeshoreElementary.org).*
