Message from the PTA

Thank you to everybody who came to our PTA meeting and shared your ideas on the role of the PTA at Lakeshore. We heard your desire to build community, enrich the Lakeshore curriculum, and raise funds to fill in gaps left by reduced government spending on public education. We are looking forward to working with our community of dedicated families, those new to Lakeshore and long-time Lakeshore families alike.

Fundraiser at Chevy's Today!

Chevys restaurant at Stonestown is holding a fundraiser for Lakeshore today. Chevy's will donate 25% of your meal purchases on that day to Lakeshore! Just tell your server you are part of the Lakeshore gathering. Take-out is included and the event runs all day long, lunch or dinner! This is an easy and fun community event that raises money for our school while we eat with family and friends.

Gratitude Board Announcement

Beginning this year our method of thanking volunteers and contributors moves from the pages of the Paw Print Press to a bulletin board near the front doors of the school. Please take a moment to thank those in our Lakeshore Community. You can find "recognition forms" in the office under the fax machine. Simply fill out a form and staple it to the board when you want to recognize someone's efforts or contribution.

Help Raise Funds for Lakeshore by Purchasing Gift Cards Through Scrip

You pay face value for gift cards and the merchants donate a percentage of the purchase price to Lakeshore. Order forms for Scrip should be going home with your kids today and I will also try to place them on the Lakeshore website. Return the forms and checks to teachers by September 23. Completed orders will be sent home on (or about) October 3. For more information about scrip visit www.glscrip.com or email Terri Chiaverotti teresachiave@gmail.com.
