Science!

This year's Science Fair was spectacular! The students outdid themselves with amazing and educational experiments of all kinds. There were experiments with crystals, plants, anatomy, energy, candy, memory and more. It was truly impressive. And of course, the dioramas from the younger grades are precious!

Thank you to Shannon for making the Science Fair a memorable and educational experience.

All Heroes Sidekicks!

Volunteers are needed to support this amazing event. All families are asked to volunteer for at least an hour during the day. We need help with booths, selling tickets, preparing and selling food, managing lines and other items.

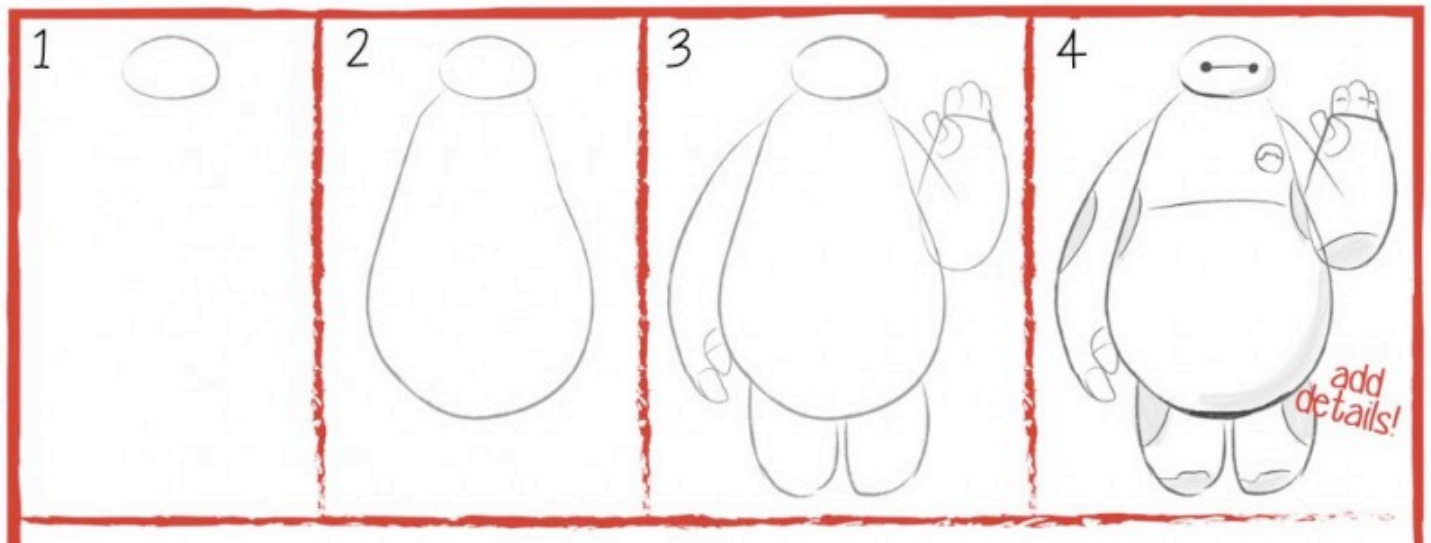

Sign up at www.lakeshoreelementary.org/superhero2015 or email volunteer@lakeshoreelementary.org.

Would you like to take more of an active role? We need people to volunteer for:

- Coordinating the cupcake walk: Getting goodies donations and managing the booth
- Help with competitions: A few people are needed to help plan and coordinate the Limbo, Airplane flying and Relay competitions
- Volunteer coordinator: Help assign our volunteers to booths or other activities
- Food coordinator: Manage the food sales

These positions will require the volunteer to attend the event and understand the details of their tasks but should not need more than minimal pre-event planning work. Parents and grandparents are encouraged to participate. Email pta@lakeshoreelementary.org if you can help.
