What a SUPER Day!

THANK YOU to everyone who came out on Saturday for the Second Annual Superhero Saturday! It was a SPECTACULAR event with students and parents leaping into action to help support Lakeshore's outstanding enrichment programs. While the rain and wind threatened to thwart the event, the power of the hundreds of Super Leopards overcame the threat and it was the perfect weather for fun!

Once again the teacher's cotton candy booth was a HUGE draw (some kids were reported to go back THREE times) but our fearless staff want to remind us to snack on healthy foods like fruit!

A humongous thank you goes out to the **Lowell Volunteer Club** for coming to help staff the event. The **Stonestown YMCA** staffed our new Target Practice game where heroes practiced knocking ping pong balls over with high-precision spray bottles. **Home Depot, Daly City** made a donation for our Art & Gardening Flower Planting and many beautiful presents were made for our heroes' moms and dads. **Ghilotti Construction** donated the bounce house where our heroes practiced their leaping and springing. **The Horsemen's Association** brought two astonishingly beautiful horses for our little heroes and their families to meet. We learned we have great strength at our school with so many heroes ringing the bell on the new and improved Hulk Strength Tester! Everyone enjoyed the fantastic music, Limbo and (Cup)cake Walk and all the rest of the amazing games and activities.

Thank you to everyone who helped set up, staff the activities and food, baked goodies, loaned crock pots and more. This is truly a community event, which could not be accomplished without all your participation!

Reminder About Class Placement

Dear Lakeshore Families,

It is that time of year when we will start to construct classes for the 2015-16 school year. Please know that Lakeshore staff spends significant time and energy in creating balanced classes to best serve the needs of all students. We strive to meet students' academic and social needs given the many variables of a community of 500 learners. While this process is far from perfect, we take into consideration many factors to best serve the needs of your children. If you feel there is information about your child that should be communicated please bring that information directly to Mr. Hartford in writing or emailed to hartfordm@sfusd.edu. Please know that all requests for individual teachers will be considered carefully, yet none are guaranteed.
