It's hard to believe but it's almost here...the final day of school. Be sure to check the lost and found, collect all your supplies, take home your projects and schedule activities with your friends!

It's Time to Review the School: Complete the School Survey

SFUSD has adopted a new way of rating school quality, and your opinions will be a part of that system! This survey is very important to helping us understand how we can improve the school, so please be sure you fill one out before May 29th!

It takes less than five minutes and your input is immensely helpful. We want to hear every family's voice! Follow this link to the family survey <https://goo.gl/1YCTqS> or use the QR code below:

Gardening Donation: In Honor of Mr. Glover

We'd like to take a moment to acknowledge a very generous anonymous donation to help support the summer maintenance for the gardens in honor of Mr. Glover and his dedication to teaching at Lakeshore. A family in Mr. Glover's class made this donation. Thank you so very much for supporting the program and helping to make Lakeshore a beautiful place for learning.

If you have a garden and a library,
you have everything you need.

LOST & FOUND: Friday, May 29th is the Last Day to Find Lost Items

Please check the rack and the shelves near the school entrance. Whatever is not picked up by the last day of school will be donated.

Get the Most Out of Amazon Purchases This Summer and for Back To School

When you use www.lakeshoreelementary.org/amazon to buy from Amazon, you earn up to 6% of your purchase for Lakeshore.

This is not the same as Amazon Smile, which only donates 0.5% of your purchase.

So remember www.lakeshoreelementary.org/amazon and give it to your friends and family to use. We significantly increased the donation for this year – let's see even more going into next school year!

We Want Your Outgrown Clothes

You can't miss the new fluorescent yellow Schoola Bin in the lost and found area. This is for clothing donations from parents and families that will be sent to Schoola for sale, with 40% of the proceeds returned to Lakeshore for our enrichment programs. We've made more than \$400 this year! No more trips to Goodwill – just bring it to school and drop it in the bin. It's convenient and helps support Lakeshore.

Getting a Head Start – Kicking Off the Year Right

There are two events at the beginning of the year that are incredibly valuable in setting the tone for the coming year. We need your help to make them special.

TEACHER APPRECIATION LUNCHEON

Before the school starts, we celebrate our teachers as they prepare for the coming year. This is generally scheduled the Friday prior to school. We need you to sign up now if you can assist with this very special event. We need volunteers for:

- Event coordination
- Setting up, serving, cleaning up
- Donating salads, main dishes, desserts, drinks

If you can participate, please email volunteer@lakeshoreelementary.org and we will be in touch over the summer. The teachers and staff find this an exhilarating event during a hectic and challenging week of classroom preparation.

ICE CREAM SOCIAL

What a great way to end the first week of school! It's the first chance to see all those lovely smiles from the wonderful Lakeshore Leopards. The kids love everyone who gives them ice cream! We need volunteers for:

- Event coordination
- Ice cream pickup
- Setting up, cleaning up
- Scoopers (and scoops)!

If you're available the first Friday of the school year, email volunteer@lakeshoreelementary.org.

Want to include something in the next edition? Please email newsletter@lakeshoreelementary.org no later than Friday evening with final content and your contact information.
