- Location: Lakeshore Community Room
- Pricing: Items will be categorized by type and will have a fixed price. Prices will be advertised shortly.

If you're interested in donating:

- Items will be accepted the week prior to the event.
- Donated items should be gently used and in working order. Please do not donate items which you would not purchase if you were attending the event.
- Items will be donated to the school with all proceeds going to the Lakeshore PTA.
- Unsold items will not be returned.
- Furniture or expensive items? We are considering a "consignment corner." Please contact [volunteer@LakeshoreElementary.org](mailto:volunteer@LakeshoreElementary.org) for more information.

More details will be published in a future issue of the Paw Print Press (or follow us on Facebook or the Listserv). If you have questions, or if you can volunteer Friday, November 13 or Saturday, November 14, email [volunteer@LakeshoreElementary.org](mailto:volunteer@LakeshoreElementary.org).

## Inside Out Minions Premiere on Ocean Beach!

On October 10<sup>th</sup>, Lakeshore participated in LEAP's annual Sandcastle building contest. Led by Ms. Fusscas and her creative 5<sup>th</sup> graders, our team built an impressively massive sculpture depicting a mashup of the wildly popular Minions as characters from the recent Pixar movie *Inside Out*. Teams from all over San Francisco partnered with local builders, architects, and other companies from the construction industry for this amazing fundraiser to support arts in the school. Students learn about planning, scaling, and building. A huge thank you to Ms. Fusscas who coordinates this event in partnership with McCarthy Building, Flad Architects, HGA, and Simpson Gumpertz & Heger.

## Mark Your Calendars: Greening Day at Lakeshore

Both Lakeshore Elementary and Lowell High School students are collaborating on Saturday, November 7<sup>th</sup> for a Greening day at Lakeshore!

Please plan to attend this important event that will be presenting several water catchment opportunities on the Lakeshore campus including installation of water catchment barrels on the first grade yard and greening clean-up throughout the campus.

Students and families will have a chance to gain knowledge about living sustainably in a drought-prone environment and how we plan to handle upcoming El Nino weather predictions. More information to follow! Brought to you by the Lakeshore Garden Program.

## Halloween Volunteers Needed!

We're getting ready for the big event. Mark your calendars to help make this spooktacular!

Thursday, October 29

We need volunteers to help set up our freaky fest in the Community Room. No experience needed. Activities include:

- Candy sorting – make sure all candy is nut-free!
- Organizing Halloween decorations – get decorations out of storage and organize the bone-chilling activity areas
- Wall hangars and spider wranglers – Cover the walls in black material, spin spider webs, and hang up our scary spider
- Ghoulish Gaming – set up our game stations

Friday, October 30

Families and friends make this event happen.

- We need a minimum of 6 people at all times to staff the event. Students enjoy the activities in 15-minute shifts from 11-2:30.
- Face painters – No artistic skills needed! Make a Leopard smile!
- Breakdown – It doesn't take long and with enough volunteers, we get it complete before dismissal!

If you can help, email [volunteer@LakeshoreElementary.org](mailto:volunteer@LakeshoreElementary.org).

## Halloween Candy Drive

Trick or Treat! Give me something good to eat! The Halloween bin is now in the Lakeshore office and available to swallow up big bags of nut-free candy and small prizes. When shopping for your home, pick up an extra bag or two and drop it in the bin. Here are some nut-free candy suggestions:

Gummies, licorice, lollipops / Tootsie Pops, Junior Mints, Hershey Kisses, Laffy Taffy, Starburst Fruit Chews, Now and Laters, Skittles, and Rolos. All candy must be individually wrapped.
