## Lakeshore Flea Market Success!

Thank you to everyone who brought and purchased items as well as to the crew of dedicated volunteers who sorted and arranged items. Under the skilled management of third grade parent, Rowena, the Community Room was turned into a massive market of quality clothes, electronics, toys, games, and housewares. **The event raised about \$2000 for Lakeshore's enrichment programs.** It was exciting to see the extended community so involved – Lakeshore neighbors made wonderful donations and more than a hundred of people came first thing (some an hour early!) to find great deals.

## Holiday See's Candy Drive

The winter break is just around the corner. Need a few boxes of See's chocolates or gift certificates for friends, co-workers and family? Want to avoid the long lines at the stores? Order your See's candy and gift certificates using our Winter Fundraising Program and items will be delivered directly to your classroom! Your orders will benefit Lakeshore's enrichment programs like motor perception, studio art and gardening just to name a few. Please use the provided envelope with full payment and completed order form and return to your teacher by Tuesday December 1st! Items delivered by Tuesday December 15th. Please note on envelope if order is needed earlier. For questions and further information, contact Cynthia at [cmscheck@aol.com](mailto:cmscheck@aol.com). Thank you!

## Black Friday = Funds For Us

[www.LakeshoreElementary.org/amazon](http://www.LakeshoreElementary.org/amazon)

Using this link has earned more than \$400 for Lakeshore enrichment programs since August. As we gear up for the holidays to purchase gifts and other items for entertaining, don't forget to use the link which gets the most for Lakeshore (this is different than the Smile program which delivers only a fraction of the income).

Give this link to friends and family – they can raise money for our students just by doing their regular shopping!

## Thank You Corner: Greening Day

It was all hands on deck Saturday, November 7<sup>th</sup> at Lakeshore Elementary School! A special thanks to all the volunteers: friends, families, teachers, staff, and youth of both Lakeshore Elementary and Lowell High School! Our sincerest gratitude to gardening instructors Martha Luna and Jean Butler for coordinating this massive event which included multiple community groups and more than 100 Lowell High School students.

Lakeshore has been beautified with the various greening projects that took place. It takes a village. We are so thankful you all are a part of ours.

## Walk-a-Thon Reward: Student vs. Teacher Kickball Game

Friday, November 13 was a lucky day for Lakeshore Leopards who had a chance to participate in one of the most fun Walk-a-Thon rewards – Student vs. Teacher Kickball Game. Two students chosen from each class team up against the teachers and staff who fielded a mighty team but according to student observers, were unable to vanquish the sheer power and determination of the Little Leopards. Rumor has it the score ended with Students at 23 and Teachers at 15.

The crowd cheered on their friends and teachers on the beautiful, sunny day. Play had to be delayed for equipment retrieval after Mr. Hartford's power kick which launched both the ball and his shoe into the air.

It was neck-and-neck with the winner uncertain until the Students loaded the bases and enjoyed a series of outless ups bringing in multiple runs.

The best part of the event was the incredible sportsmanship demonstrated by the student players, teachers, and crowd. Everyone supported each other and focused on having a great time.

*Want to include something in the next edition? Please email [newsletter@lakeshoreelementary.org](mailto:newsletter@lakeshoreelementary.org) no later than Friday evening with final content and your contact information.*
