## Auction Corner

**Save the date for our Spring auction: April 9.** We have a Facebook event: <http://bit.ly/fb-ls-auction> Check it out and let us know if you're coming.

We'll have amazing prizes for you to bid on. This week, we've secured a semester of classes at Music Together of SF valued at \$295, a birthday party with Boswick the Clown valued at \$300, and party services by sought after DJ Hightop, valued in the thousands of dollars! Altogether our auction crew has raised around \$6000 in donations, but we could use help raising more. All you need to do is write a few emails or make a few requests in person/by phone.

**We're also looking for a party planner.** If you're great at planning and you love parties, then sign up to take this party from great to outstanding! Here are other things we need help with: <http://vols.pt/GR2C7X> If you've always meant to volunteer at Lakeshore, now's a great time.

We're always looking for donations of wine or beer, food or cooking services for the event, and unused gift cards or new items lying around your house. Check out the auction flyer you'll receive soon for more easy ways to help.

**Please email [pta@lakeshoreelementary.org](mailto:pta@lakeshoreelementary.org) to join the crew or help out. Thanks!**

## Thank You Corner:

### Disco Bingo Was Far Out!

A huge thank you to all the way cool cats who hosted this year's Disco Bingo! Hundreds of students and their families braved the dreary rain to enjoy a little friendly competition and boogie to some groovy tunes. The teachers were sporting the best fashion of the 70's which was worth the price of admission! Special thanks to Ms. Mao for calling the numbers and to the PTA for making food available. Disco Bingo raises money for the Teachers' Fund and the PTA Food Sales support enrichment programs at Lakeshore. We'll catch you on the flip side!

## Superheroes Unite: An Original Play

On Friday, Ms. Cheung's third grade performed an original play educating their third grade peers about the types and forms of bullying. Set at a superhero academy, a group of students "go bad" and become villains and bully students physically, verbally, and socially. They learn about the impact of their actions and realize "bullying is not OK and is never right!"

Thank you to Ms. Christell, our Drama Consultant, who produced the play. This is an example of the great experiences and arts education Lakeshore offers as a result of the PTA-funded enrichment programs.

If you would like to find out how you can contribute your time (onsite or at home), donate, or become a member, please email [pta@LakeshoreElementary.org](mailto:pta@LakeshoreElementary.org).
