Spotlight On: Ms. Cooney

This year, Room 111 has a new 4th grade teacher – Jade Cooney. She was born and raised in San Francisco, not too far from Lakeshore. She grew up in the outer sunset, and went to Lafayette Elementary and Galileo high school in SFUSD. She graduated from San Jose State University and has been working for the District for four years. Formerly a fifth grade teacher, she is ecstatic to be a part of the Lakeshore community!

Lelio Maurillo, one of her students, interviewed Ms. Cooney so we can all learn a bit more about one of our newest teachers!

- **What is your favorite animal???**

- **Do you have a pet?**

It's Time: Bring in Your Box Tops

What is the size of a postage stamp and worth 10 cents for Lakeshore? It's a Box Top found on labels of products from Ziplock, Betty Crocker, Annie's, Hanes, Progresso, and more! Collect them yourself and get friends and family involved. Another way you can raise money through everyday activities! Bring them in to your teacher or the office by XX so we can stay on track to make \$1000 this year!
